ODESSA, TX, January 25, 2020 --- The West Texas Food Bank is excited to partner once again with Odessa College, Midland College, University of Texas of the Permian Basin, The Odessa High International Baccalaureate Program, The Boys and Girls Clubs of the Permian Basin and Trinity School to bring you the annual Empty Bowls event.

Although the event will look a little different this year, thanks to a generous donation from H-E-B, 100% of the proceeds raised will go to the West Texas Food Bank. Hand-made ceramic bowls created by students and faculty from the partner groups will be available for \$15 apiece. The bowls will be displayed throughout the new Innovative Gardens, in what will be an exclusive sneak peek.

Come pick out your favorite bowl and support the West Texas Food Bank.

In the interest in keeping the event as safe as possible, we will not be serving any food. We are so grateful to Catfish & Co. in Odessa and Jason's Deli in Midland for their years of support of this event, and we look forward to having them back next year.

Empty Table sponsorships will be available for \$500, and will include six "Pick of the Kiln" bowls, which are hand-picked by the artists, and are the best of the best. Pick of the Kiln bowls will be prepackaged and ready to go for easy pick up. Sponsorships also include six West Texas Food Bank insulated cups and a gift card to The Garlic Press.

"We are so excited to bring Empty Bowls back to Midland this year, and give a sneak peek of our new Innovative Gardens," said Libby Campbell, Executive Director of the West Texas Food Bank. "This is absolutely one of my most favorite events of the year. I love seeing all the hand crafted bowls made by the children, and look forward to seeing their unique creations. The support of the colleges and Boys and Girls Clubs is always very heartwarming, and I love seeing all the support from the community."
